

Request for Council Action

Originator City Manager	Item Advisory Board of Health Appointments
Agenda Section Organizational	Date 9/28/2015

Description

Bloomington's Advisory Board of Health advises the City Council on issues related to the personal and public health of Bloomington residents. The Advisory Board of Health has seven members, consisting of three consumer and four provider members. Members serve two-year terms.

Nick Kelley submitted his letter resignation effective July 13, 2015. Please see attachments.

This position was advertised in August but at that time no applications were received. To date one provider application has been submitted.

Requested Action

The Council is requested to appoint one provider position for term expiring 12/31/15.
